Reported for the State Sentinel.

TRIAL OF JOSHUA B. OTEY. The United States ? Indictment for Mail Robbery. Joshua B. Otey.

James Borden-Sworm: mys that he was postmister at Richmond in the year 1839 - was not at home at the time the offences are alleged to have been committed-knows nothing personally of this matter. In the month of Nov. 1838, defendant applied for a clerkship, in the office-came in then and continued to set till March, 1839 -employed Mr. Means. After Means came in, he said he would want assistance, and deft. remained a short time to asset bim. Means slept in the room above and deft, occupied the room below-did act doubt his integrity. In December, 1839, read a letter from Means stating that a letter had been loot, and witness direct ed defendant's exclusion from the office. When witness went away, he left Means in charge of the office, and he continued to act so long as witness held the office-and it now acting in the office. After witness returned, found defihad delt Richmond and gone to Fort Wayne-left Fort Wayne, stating that he would reluce to Richmond, but did not refurn there. Since deft, was in jail, he complained to witness of his bail for having him arrested, as he had secur-

Deft, gave as a reason for going away, that the excitement was so give a against him in consequence of his being so warm a politician, that he was fearful he could not have a fair trial-said be meant to come back this fall, but dr! not like to lay in jail all summer. Said he was in Vincennes and saw people there from Richmond. Witness dismissed deft, on complaint of his cough menners and violence in polities, but did not doubt his integrity. Deft, gave as the reason of his going away the political excitement against him. Deft, had taken a very active part in politics—was not in witness's employ in Nov. 1839, yet he generally sleat in the office-went to Fut Wayne in Aug. or Sept. 1840,-bft there saying he was going back to Richmond to prepare for his trial, but said he felt afrend of the excitement at that time. Deft, was requested to remain with Means a couple of weeks-deft., as witness understood, was to sleep there. Means's letter complained that a letter had been abstracted, and witness direc ed Means to exclude every body, deft, as

well as others, Joseph Mithers being swich, says, he was pistmister at Greenfield, in the fall of 1839. In Nov. 1839, witness wrote a letter to Sidney Smith, of Richmond, and mailed it, to which witness received no answer. Witness don't recollect of ever having received a letter from Joseph Thacher.

Joseph Thacher being sworn, says, he put a letter into the Richmond post office to be mailed to Joseph Mathers, Greenfield, in the fall of 1839,-handed it, with a note, to Means-Means put into the letter a \$5 bill-letter was directed to the postmaster at Greenfield-the letter was in raply to a letter from the P. M. at Greenfield-witness took the letter to Smith out of the office. It was handed to him by Mr. Means-Means told witness there was a letter for Smiththis was in the fare part of the day-never had any conversation with defendent about it till after the indictment, when deft, told witness that he was indicted. Means gave wirness information that Smith's letter was there at the office-Smith had no box. The till spoken of above was on the Bank of Indiana. Witness saw the bill put into the letter, and the letter sealed, and left the post office immediately. Thomas Means. (Objected to, because U. S. Alty, had told him the evidence of Borden-objection overruled.) Save a letter was mailed on the 26th of Nov. 1839, by Joseph Thacker, directed to J. Mather, just master at Greenheldcontained a \$5 note on one of the Branches of the State Bank of Indiana-was maried after 12 o'clock of that day-was employed as a deputy for Borden at that time-no other person employed-defendant had all the privileges of the office till Mr Borden excluded him-till then defendant slept in the office-witness wrote to Borden, at Washington, and received a reply-florden burnt those letters-witness wrote to Borden that letters had been abstracted-named no name -he received an order in reply to exclude all persons, especially Otey, from the office and hoxes. Witness sealed and mailed the letter to Mathers-put envelope on it and put it into the box for the way mail in which letters to intervening post offices were to be put. Previous to Mr. Borden's going away, many persons had access to the office-after which witness kept the post office more strict. Witness left deft. at the office on the evening of the day the letter was maded -when witness went to suppor, left him sitting at the stove, and found him there when te returned. Shorely after supper, witness looked for the package, but it was gone. Deft. left the office soon after witness returned from supper. Besides the regular boxes, there was one which contained

letters of importance, in which this letter was sorted. Thacher came early in the morning to inquire for a letter witness told him there was none-but dett., just rising, haled and maited, till its absence was discovered, but delt, and

and replied to it for him.

Means called; knows nothing.

access to the office in 1839, The United States rested the case here.

For the Deft. J. Thicker recalled -says: he was and on £1,500,000, -less again than one per cent. is still of opinion that Means gave him the letter to Smithother letter in the morning-did not see doft. at the time, or to repairs and common interest on money,

E list sworn-says: he was successor of Mr. Burlen, and had deft, there a short time in the office-say 23d to patriot who is not for the greatest good of the greatest number. 25th June, 1840. Deft. had lived in Richmond over three

skill that never existed, for a loan, of course, al. elected-there being no disqualification on account. The American repeats Nicholas Biddle's favorthough the house is not possessed of a dollar it can of color. But it seems that an informality in keep- te maxim, that the suspension is caused by the stockholders, without a blow struck to save some- ing paragraph of his circular be correct. He says; "I have to know any thing about the affeirs of our State.raise the money they have engaged to lend. The as late. inevitable consequence is a depression so great in the price, that eventually, the operating house finds Ma. Webster's Excuss Sympathies .- Mr.

is utterly lost by bad debts

BRITISH CANAL SYSTEM.

The following table shows, 1st, the principal Canals of Great Britain, the stock of which has sustained itself ator above its original par value, together with the prices in 1838 and 1839, the Dividends in those years, &c. &c. :

Names of Canaly,
